**Format:**

The format of the event is round robin matchplay. In your fourball it will be yourself playing against the other 3 players individually. Play will be from the yellow tees and full handicap allowance for all golfers, we will have your scorecards written with shots allocated ready before play. Each match win will count for 2 points, a half match 1 point and 0 points for a loss toward your House total. If all games are finished before the 18 holes are done you can continue playing the course or head in for some food.

For Example: (George, David, Robbie and Andrew)

In game 1 Andrew, George, David and Robbie are playing. Andrew makes a 6 at the first, George and Robbie make a 4 and David makes a 3. With no shots being allocated on the hole the result would be.

David vs Andrew 1up	David vs George 1up	David vs Robbie 1up
Robbie vs David 1 down	Robbie vs George A/S	Robbie vs Andrew 1 up
George vs David 1 down	George vs Robbie A/S	George vs Andrew 1 up
Andrew vs David 1 down	Andrew vs Robbie 1 down	Andrew vs George 1 down

If these scores were to finish as above, then:

Alexander 3 points      Loudon 3 points      Ross 6 points      Lorimer 0 points
